6:30PM

**AT THE
BEDFORD HILLS MEMORIAL PARK
POOL BATH HOUSE PATIO AREA**

Welcoming Remarks: Lee V. A. Roberts, Town Supervisor
Introduction: Kevin Winn, P.E. Commissioner DPW,

SCHEDULED PROJECTS FALL 2013

Presentation By: Rahul Verma, P.E., LEED AP - EOWHC
Jeff Contlema, P.E. – Insite Engineering

- **Mandatory DEC Project for Phosphorus reduction to improve water quality in the NYC watershed**
- **This project will create new usable parkland, near existing amenities, to offset project impact on existing park land**
- **This project includes visual and noise barriers to provide improved screening of park activities for the residents of Bedford Lakes**
- **During the project, the pedestrian footpath will remain open and usable. Upon completion, the pedestrian footpath will be realigned to provide a scenic walking path.**
- **Construction schedule is a September start with completion by the end of the year.**
- **Funded by NYCDEP, and not the Bedford taxpayers**

OTHER PARK PROJECTS FALL – WINTER 2013 - 2014

Presentation By: Bill Heidepriem, Superintendent of Recreation and Parks

- **Replacement of the existing 30' x 60' picnic shelter**
- **Relocate the existing Day Camp Shed away from the pavilion**
- **Install electrical service to the shelter, garage and Day Camp shed**
- **Extend water service to the pavilion for a water fountain/hose bib**
- **Install a multi sport scoreboard at the soccer field in the far west corner**
- **Add landscaping where needed associated with all other work taking place**
