## **EWASTE FEE NOTICE NOVEMBER 2015**

Due to a change in the Electronic Waste (Ewaste) recycling market the Town of Bedford is implementing the fees listed below beginning December 1, 2015. The fees are only for Ewaste containing cathode ray tubes (CRTs). CRTs are contained in older style televisions and computer monitors (the type with the large back portion, not the newer style flat televisions and computer monitors). The fees are to reimburse the Town for the cost that it incurs for recycling this Ewaste.

The fees are:

- CRT Computer Monitors - \$8.75 each
- CRT TV's up to 27" - \$11.75 each
- CRT TV's 27" and over - \$30.50 each
- Wood Console/Projection and other Oversized units - \$36.00 each

In order to recycle Ewaste containing CRTs, residents must complete a CRT Recycling Application and pay the appropriate fee at the Town Clerk's Office, 321 Bedford Road, Bedford Hills NY 10507, 666-4534. Payment can be by check, cash, or credit card. A 2.5% credit card fee will be applied to credit card charges.

**Payment may not be made at the Recycling Center.**

A completed CRT Recycling Application with proof of payment must be submitted to the recycling center attendant in order to recycle Ewaste containing CRTs.

The Town Clerk's office is open Monday to Friday from 8:30 to 4:30, excluding holidays. The recycling center is open Tuesday, Thursday, and Saturday from 8:00 to 3:00, excluding Thanksgiving, July 4, and Christmas. Please note that you can not pay on Saturdays.

Please contact Bedford DPW at 666-7669 with any questions about Ewaste, or the Town Clerk's office at 666-4534 with any questions about the payment process.
