## Parent Information

4/13/2015

Dear Tiny Tot Parents:

We would like to welcome you and your child to the 2015 Tiny Tot season! We are very excited about the upcoming program as we have activities and special events planned which we're sure your child will enjoy.

The camp locations are as follows:

Bedford Village Tiny Tots – St. Patrick's Parochial School

Bedford Hills- Katonah Tiny Tots – Katonah Elementary School –Huntville Road, Katonah

We will be kicking off the camp season by offering a "Meet Your Counselor" Cookie Social. This is designed to alleviate those first day apprehensions, and give the parents an opportunity to ask questions, and discuss concerns without trying to do so as we start activities on the first day. I highly encourage you to attend, particularly if you feel it will help your child to know who they will be looking for on the first day.

We will have our fun and exciting Carnival Day at the Katonah Elementary School in Katonah for both camps on Wednesday July 22. This day is filled with fun and games. More information will follow.

I look forward to a fun filled program this season, complete with age-appropriate themes, games and activities. The daily activities are filled with variety, structure, and festivities. Daily activities include arts and crafts, games, music, storytelling, outdoor play and various special events.

We are committed to providing a safe, fun and caring environment. Please feel free to share feedback with the directors and me.

We look forward to having your Tiny Tot in our program. Enjoy your summer.

Sincerely yours,

Kimberly O'Brien
Recreation Supervisor

## Notes from Home

For the safety of your camper, written parental permission (note) must be sent for the following:

- If your camper is to leave camp with a friend, neighbor, relative, or someone other than his or her usual ride. If your child's counselor does not receive a note, your child will not be released.
- **For car pools or arrangements that will last for the whole summer**, one note specifying days and person picking up/ dropping off your camper will be kept on file for the summer. Please note that we will need written permission for everyone in the car pool.
- **We will use emergency contacts as approved persons to pick up you child at any time.**

*****Notes should specify your camper's name, group, and counselor as well as the other pertinent information.**

## First Aid

In the event that your child becomes ill or injured during the camp day they will be escorted to the camp office and cared for by one of our trained staff or our camp EMT. If the situation warrants, the camp staff will contact you. Depending on the severity of the injury the child will either stay at camp, be picked up, or if needed the Bedford Police and ambulance will be called to assist with medical issues.

***WE CARE!** Should your child have to visit our health office for any reason during the camp day, a pink slip, or "boo boo report" will accompany your child home with all of the details. You will be notified of every scrape, bump and belly ache. If you know of a "boo-boo" that was not attended to, please inform the camp director, in order to help us keep staff reminded that nothing is to be ignored.

## Medical Forms

If your child is required to take any type of medication during camp hours, a Medical Permission Form **MUST** be filled out by the **parent and physician,** and handed in with the medication the first day your child attends camp. Medication will be kept in the camp office or in your child's bag, and our staff will oversee and supervise the child in self-administering their own medication. By law, camp personnel cannot dispense internal medication to the child unless they are a NYS licensed physician, nurse practitioner, physician assistant or registered nurse.

Written permission can be given by both the physician and parent to allow the camper to carry medication that is needed for emergency purposes (i.e.; epi pen; asthma inhaler).

All medication must be in their original container and labeled correctly.

## Allergies

The Town of Bedford cannot guarantee an absolute allergen-free environment. However, it is the goal of this policy to create a peanut/nut awareness camp. We ask for your cooperation in working towards this goal.

It is important that children with risk of anaphylaxis or an anaphylactic reaction to any substance (food, insect bites, drugs ect.) be identified. We encourage families of campers with life threatening or serious food allergy to meet with directors during the start of camp.

We have the following guidelines in effect:

- We will not do any craft projects that include peanuts
- If your child eats peanut products for breakfast we would greatly appreciate your making them wash their hand with soap and water before leaving for camp.
- We do not encourage homemade birthday treats or special snacks. If you wish to celebrate at camp please discuss with the director before the event.

Throughout the course of the summer if you have any questions or concern about food allergy related issues, please do not hesitate to ask the staff.

Please be advised that when necessary, campers' may be prohibited from participating in certain activities for safety reasons. Come to camp as comfortable as possible. Shorts, shirt, and **sneakers** should be worn. Please label your campers clothing.
