Motion Seconded by: Amy Parsons

Historic Resource Review Request and Conference:

**I – Historic Resource Review Request
- Additions and Renovations to Existing Residence**

Section 49.14 Block 1 Lot 15.1, R-½A Zone

163 Cherry Street, Katonah

Owners: Michael Braunschweiger and Linda Bess Iger

Applicant: Raymond Beeler, Architect

Present:

Lind Bess Iger, Owner

Raymond Beeler, Architect, Faesy-Smith Architects, P.C.

Plans:

Plans (seven pages) prepared by Gallin Beeler Design Studio, PLLC, 23 Washington Avenue, Pleasantville, New York 10570, dated 3/31/16, as follows:

Sheet No. A00	“Site Plan”
Sheet No. A01	“Demolition Plans”
Sheet No. A02	“Basement Construction Plan”
Sheet No. A03	“First Floor Construction Plan”
Sheet No. A04	“Demolition & Proposed Elevations”
Sheet No. A05	“Demolition & Proposed Elevations”
Sheet No. A06	“Section”

Discussion:

Mr. Beeler provided the Commission with a small scale model of the house and described the planned additions and renovations. The Chairman complimented the owner for efforts made to obtain relevant information on both the house and the project.

In addition to the proposed additions and renovations, the Commission was asked to respond to a Historic Resource Review Request. The change requested was from a classification of Individually Significant. Assessor’s records offered two different construction dates for 163 Cherry Street: 1870 and 1920. At the site walk, Ms. Iger offered the Commission access to view interior structural elements of the house. It was made evident that the 1920 date was most likely correct. Accordingly, the Proposed Survey Classification was amended from Individually Significant (IS) to Contributing (C).

Motion: Motion was made by John Stockbridge approve the application for the additions and renovations to the existing residence.

Motion Seconded by: George Henschel

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

Motion: Motion was made by John Stockbridge to change the classification of this property from Individually Significant (IS) to Contributing (C).

Motion Seconded by: Ben Branch

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

Historic Resource Review Request:

I – Historic Resource Review Request

Section 73.9 Block 1 Lot 14, R-4A Zone

622 Harris Road, Bedford Hills

Site Walk Date: March 16, 2016

Owner: David Solomon

Discussion:

A review of the site visit indicated that the house and outbuildings had been completely renovated or recently constructed. It was decided that the property’s classification be changed to a classification of No Determination and, accordingly, be removed from the Survey.

Motion: Motion was made by John Stockbridge to remove 622 Harris Road from the Proposed Survey.

Motion Seconded by: George Henschel

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

Historic Resource Review Request:

II- Historic Resource Review Request

Section 83.12 Block 1 Lot 19, R-4A Zone

128 Baldwin Road, Bedford Corners

Site Walk Date: March 30, 2016

Owner: Anne Margaret Baum

Present:

Anne Margaret Baum, Owner

Discussion:

Ms. Baum stated that she saw no reason that her property at 128 Baldwin Road should be listed on the Survey. Members of the Commission mentioned the house was the work of the well-known architect, Benjamin Wistar Morris (1906-1907) and was a contributing feature of a historic and scenic road. The Commission also reiterated that the proposal to the Town Board for classifications were being reviewed in work sessions and asked for her patience with the process.

Motion: Motion was made by John Stockbridge to maintain the classification of Contributing Property (C).

Motion Seconded by: Shelley Smith

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

Historic Resource Review Request:

III – Historic Resource Review Request

Section 60.18 Block 1 Lot 31, R-½A Zone

29 Sunset Drive, Bedford Hills

Site Walk Date: March 16, 2016

Owner: Dawn Badini

Present:

Dawn Badini, Owner

Discussion:

Ms. Badini objected to having her property designated as Individually Significant. The members of the Commission indicated that their strong belief was that the house at 29 Sunset Drive was built before 1900, but they would ask for her patience on her Review Request as discussions on the classification system with the Town Board were most likely to establish revised guidelines.

Motion: Motion was made by John Stockbridge to maintain the designation of Individually Significant (IS).

Motion Seconded by: Shelley Smith

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

Historic Resource Review Request:

IV – Historic Resource Review Request

Section 49.15 Block 4 Lot 82, R-¼A Zone

58 Edgemont Road, Katonah

Site Walk Date: March 30, 2016

Owner: John Fry

Discussion:

The property at 58 Edgemont road was mistakenly listed on the Survey.

Motion: Motion was made by John Stockbridge to remove the property from the Survey.

Motion Seconded by: Amy Parsons

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

Historic Resource Review Request:

V – Historic Resource Review Request

Section 71.7 Block 1 Lot 1.1, R-4A Zone

673 Croton Lake Road, Bedford Corners

Site Walk Date: March 30, 2016

Owners: Michael Reeber and Nicole Giroux

Discussion:

Following the site walk of March 30, 2016, the Commission determined that there were no historical or architectural structures on the property. The newly constructed barn had elements of an earlier barn on the property, but was not itself a historic structure.

Motion: Motion was made by John Stockbridge to remove the property from the Survey.

Motion Seconded by: Shelley Smith

Vote: Ayes: Stockbridge, Smith, Parsons, Henschel Nays: None

The Chairman made a motion to approve the minutes of the March 16, 2016 meeting, with amendments.
