Sewers, Septic and Watershed Protection

Your Town Board wants to hear from you.
Please attend this important town hall meeting.
Get informed. Express your views.

Thursday, November 3rd, at 7:30PM
Bedford Town House, 321 Bedford Rd. Bedford Hills, 10507

What is the plan for sewers in the Bedford Hills and Katonah business districts?

How would sewers affect hamlet vitality and growth?

What is the Town doing to help with septic system problems in areas
that would not receive sewer service?

My septic is failing, are there funds available?

Participating in the town hall event:

Chris Burdick, *Supervisor*
Lee Roberts, *Deputy Supervisor*
MaryAnn Carr, *Town Board*
Mary Beth Kass, *Town Board*

Don Scott, *Town Board*
Francis Corcoran *Westchester County Legislator*
Jeff Osterman, *Director of Planning*
Kevin Winn, *Commissioner of Public Works*

Can't make it, or want to make sure your question is covered at the town hall?
E-mail us in advance at: TownBoardMembers@bedfordny.gov

See the other side of this flyer for *Frequently Asked Questions and Answers*.
