**INVITATION TO SPECIAL TOWN BOARD MEETING**  
**Information Session on Sewer Plan**

I wish to invite you to a special meeting of the Bedford Town Board to discuss a preliminary proposal for sewers in the business districts of Bedford Hills and Katonah. The meeting will be held at 7:30 PM on June 28, 2016 at the Katonah Village Library – main meeting room on the lower level.

The preliminary proposal, which is a significantly scaled back version of a plan discussed over a decade ago, is in the early stages of discussion, and to proceed the property owners would need to vote to create a sewer district. Before the Town invests considerable time and resources, we would like to hear from you. You will reports and other information on this webpage, but I ask you to kindly recognize that the scope of the proposed district, the properties within it, funding sources, among other key matters, all are subject to change. This invitation is to all in the community and being mailed to property owners and tenants in the Central Business District zoning area for reasons described in the information sheet.

Among others at the meeting will be the Assistant Commissioner of the New York City Department of Environmental Protection, the Town of Bedford's Planning Director, Bedford's Commissioner of Public Works and of course my colleagues on the Town Board and I. Please join us. Feel free to contact me at [supervisor@bedfordny.gov](mailto:supervisor@bedfordny.gov) or 666-6530.

Best regards,

Chris Burdick  
Supervisor
