**NOTES:**

<sup>1</sup> Side yard(s): As determined by the Planning Board during site plan review based upon overall characteristics of development and its relationship to adjoining properties and the general pattern of neighborhood development, minimum side yards shall be 10 feet, up to 50 feet for each yard, and 20 feet up to 100 feet in the aggregate, as measured from side property lines.

<sup>2</sup> In all residential zoning districts, the maximum exposed building elevation shall not exceed 40 feet.
